## Life Is a Test

I like to think of our existence in this world as a trial period, and that each day we are confronted with various trials and tests. Hopefully, we are passing more of these life tests than we are failing. We should always be aware that we belong to God; however, we are not always spared the suffering and trials of this world. God has always been with us in the past and He will continue to see us through the various tribulations in our future. Life without faith is very demanding, and the Bible tells us that faith is the confident assurance of knowing that what we hope for is going to happen; it is the evidence of things we cannot yet see. Each adversity that we are faced with will help us to grow and to make us a stronger and better person. And, with each test that we endure, we can imagine our Lord saying to us, "Well done, you good and faithful servant."

Here is my servant, whom I have chosen, the one I love, and with whom I am pleased.
