New Bowl
Westside Lutheran: John Heidt, 265/714; Brian Mackeridge, 657; Mike Fath, 652; Dennis Demaree, 256/648; Al Hurt, 647.

DeLuca rebounds to bowl 300 game

AL HARRISON

My usual Monday night routine is to visit certain bowling leagues and watch some of the better bowlers.

Last Monday while I was at Merri Bowl, Rick DeLuca of Livonia shot a 300 game in the K of C Men's

League.

This is Rick's first year back after sitting out the past three due to Carpal Tunnel Syndrome. It takes a lot of patience to come back to bowling from this very common but stubborn ailment.

For Rick, it was his second perfect; his other one also at Merri Bowl, in 1987.

He is now retired from his job at Ford Motor Co. and is enjoying bowling a lot more, a sport he took up at the age of 10.

DeLuca is carrying a 200 average while enjoying a current hot streak.

I asked what hot new ball he was throwing and he replied, "It's the Torq, that old Columbia ball from about seven years ago. It's still performing well."

So much for the latest hot new ball theory.

Next stop was Cloverlanes, for the Ladies All-Star Bowlerettes, and I arrived just in time to watch Jeannie Gebbia, formerly of Garden City and now living in Taylor.

She threw twelve perfect shots for the third 300 game of her career. Jeannie is the captain of the Community Bowling Centers team that features Aleta Sill, Marianne DiRupo, Joanne Penola and Tracey Wade.

The twelfth strike had a stubborn 10-pin, but it went down and the other competitors run up to congratulate her.

It looked for a while I would witness a third 300 in less than an hour when Stacie Gray started the next game with 10 strikes.

But the 11th shot crossed over, leaving the five pin and earning her a fine 289.

There is a moral to this story: Bowling can be fun just to watch.

The Alzheimer's Association's 11th Annual Bowling Bonanza will be Saturday, March 4, at Cloverlanes in Livonia.

Fee is \$10 per person with a \$25 minimum pledge per bowler. Participants get to bowl three games, receive an event commemorative T-shirt, pizza and soft drinks and free rental shoes to those who need them.

Choose from either the morning or afternoon session. Bring friends and family.

Alzheimer's Disease places an enormous drain on a family's emotional and financial

resources.

The Alzheimer's Association's Detroit Chapter is the only nonprofit health agency exclusively dedicated to providing support to individuals and families affected by the disease.

More than 600 bowlers will participate, including the Detroit Perot Health Club, Farmington Singles and corporate sponsor representatives.

Call (248) 557-8277 for entry forms or more information.

"The purse bandit has struck again — this time at Wayflower Lanes."

She poses as a friend of someone in the league, seems to fit right in with the crowd and in a flash is gone — along with somebody's purse.

She wears an oversize field jacket in beige or light green. The jacket is two sizes too large so she can stuff the purse away and move out.

She has preyed upon area bowling leagues and every center's league bowlers, particularly women's and senior leagues, should be on the alert.

"A special word of appreciation from the fifth annual Senior/Youth Tournament committee to Hershel Parra of Toammin's Pizzeria on Seven Mile Road and to International House of Pancakes on Middlebelt Road, both in Livonia, for their contribution of door prizes for this successful event."

Many thanks to you both.

HEART ATTACK. STROKE. HIGH BLOOD PRESSURE. DON'T YOU THINK THERE ARE SOME FAMILY TRADITIONS YOU SHOULD DO WITHOUT?

Families share a lot more than a last name. However, the things they have in common aren't always that obvious. Like their blood pressure. High blood pressure has been strongly linked to heredity, so it tends to run in families. There are no symptoms, so it can easily go unnoticed. And, left untreated, high blood pressure can lead to a heart attack, stroke, or kidney failure. But, the good news is that it's easily checked and readily treated. So maybe it's time to start a new family tradition. Call for an appointment to get your blood pressure checked today. To find a University of Michigan physician near you, simply call 1-800-211-1811. We accept a variety of health care plans, including **MCARE**™
