**WANTED: Art Deco & 1920's jewelry**  
Allow our seasoned experts to give you a free appraisal and our best offer for Instant Payment. That way, you won't have to risk strangers in your home, prowlers at a garage sale, unscrupulous pawn dealers or shipping. Most jewelry stores today won't even make you an offer. Since we have a hungry international market, we have no choice but to pay you top dollar on the spot.

"I certainly couldn't expect to wear this to the mall or take it to the nursing home!" Julia L. converted it to \$18,000. "If I get invited to the Inaugural, Bill will understand."

"I'm afraid to wear these out in public." Sarah G. exchanged her jewelry box for \$18,300. "Now that's security!"  
"Our jewelry box was chock full of things that were far too ostentatious for our lifestyle or our leisure wardrobe," said Harriet and Sydney L.

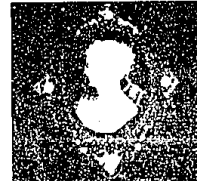

We gave them enough money to retire that day.

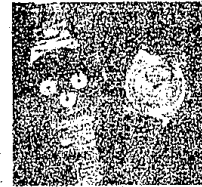

Agnes H. sold this for \$16,750 - and used the money to retire her place in a respected lifetime care facility.
