HERE CAN I FIND

This interactive feature is dedi-cated to helping readers locate merchandise that's difficult to find through reader feebach. If you've seen or are looking for an item, call (248) 901-2555 and leave a message with your name and phone number. We publish reader's requests for merchandise twice. If you don't hear from us or see information about the item within a few weeks, we were unable to locate it. When we find an item owned by another read-er, rather than for sale at a store, we will call you. But, please, be patient; we handle an over-whelming number of requests each week. WHAT WE FOURD.
