Did you ever think of life as a journey? Before we begin any journey, preparation and planning are always wise things to do. We usually try to learn as much as possible about our planned destination, and we try to prepare ourselves for what will be needed and what to expect as we venture on our way. Life, too is something of a journey, and we should always be prepared for our final destination. Just as we would not get into our automobiles and start off across the country without knowing where we were going, we should not go through life without knowing where we are headed. There is a saying that there are only two things in life that we can be sure of: "death and taxes." And just as we plan for our taxes, we should plan for our final journey when we will meet our God.

Every day we should be prepared for this most important trip that each of us must take someday. If we journey throughout our life with our Heavenly Father, then when we do make our final trip, we can be assured of our destination and know what to expect.

*for, "Everyone who calls on the name of the Lord will be saved."*
