

Botsford Health Care Continuum

We've grown to
care for you.

Our corporate family of affiliates is working together as the Botsford Health Care Continuum to provide whole person care. The Continuum has grown to meet the evolving health care needs in our community. It has been built upon the simple enduring cornerstones of our mission to offer quality medical care in a sensitive, concerned manner. To us, that means treating you not simply as a patient, but as a member of our own family. We believe our continuum of services have resulted in, and will continue to result in, a healthier community.
