crossbar, bounced off the lower bar and over the back of the net. From a distance, it looked as if the ball had ricocheted down into the net.

Farmington's defense also did a good job of denying Danielle Strickland, the leading scorer for the Hawks.

"We had (sweeper) Shanna (Barkum) playing a little softer in the defense, so she would be back there to intercept the ball when it came through and send it back upfield," Montgomery said.

"That's why they had trouble getting anything going. That was our strategy — and to have a little more offense."

Overall, it was a game con-

trolled by the Falcons, due in large part to the play of its mid-field led by Kara Tweedley and DeDomenico, according to Montgomery.

"We have some real good athletes in the middle," Montgomery said. "If you hold the ball too long, they're going to take it away from you."

"Today went well. I liked the way we were passing, and Harrison did good job, too."

Greg Strickland was pleased with the play of his team as well.

"It was probably one of our best games," he said. "All in all, I'm very proud of my team. Even though we lost 2-0, I thought it was a good showing that we've come a long way with the team."
