Farmington foursome make top area team

With the best team in Observerland, Farmington Hills Mercy leads the 2000 All-Area Girls Golf Team with three first-team players.

Half of the eight-person squad — Mercy's Erin Borowiec and Lindsey Denamore, Farmington Unified's Cassie Jamison and Livonia Churchill's Heidi Altman — consists of repeat selections.

Borowiec won her second straight Catholic League title, and Jamison is a two-time Western Lakes Activities Association tournament champion.

Borowiec, Denamore and Katie Dinamore helped the Marlins to their ninth consecutive league championship, a Division 1 regional title and a third-place finish in the state tournament.

Jamison led the Farmington Unified team to its first WLAA tournament championship, and Altman led the Chargers to a fourth-place showing in the Division 1 state finals.

Also representing WLAA runner-up Churchill is Ashley Johnson. Livonia Stevenson also has two first-team players — Katie Carlson and Kristien Polanski.

ALL-AREA FIRST TEAM
Erin Borowiec, junior, Mercy; Borowiec finished fourth at the state final with a two-day score of 160. She

was second at the regional with 77. Borowiec won seven tournament titles this season, including the Traverse City Invitational, where she shot a 153. She also won the Catholic League championship again.

Her average score for tournaments was 76, and her overall nine-hole average was 39.2.

"Erin continues to excel on and off the course," Mercy coach Vicki Kowalski said. "She is an excellent student and golfer. Coaches often comment on her beautiful swing. Erin is one of the top golfers in the state. I look forward to her senior year."

Lindsey Denamore, senior, Mercy; Denamore shot a 152 to finish sixth at state. The Mercy team captain received the Catholic League Scholar-Athlete Golf Award. She carded a tournament average of 91 and averaged 45 strokes overall for nine holes.

"Lindsey saved the best for last," coach Vicki Kowalski said. "Her 82 the first day of state finals was her best, high school record, and she followed with an even better 80 on the second day. Lindsey has true team spirit and leadership."

Denamore, a finalist for the Midigan High School Athletic Association Scholar-Athlete Award, will continue her golf career at Adlon College.

Katie Dinamore, junior, Mercy; Dinamore finished third at the Catholic League tournament with an 88. She won the Petoskey Invitational by carding an 88. She averaged 92 at tournament

and 40.5 overall. "Katie's game has improved greatly from her sophomore to her junior year," coach Vicki Kowalski said. "She has performed well in dual meets and tournaments."

"Katie is a delight to have on the team and work with to continue her golf game. She is very coachable and will provide team leadership in her senior season."

Cassie Jamison, senior, Farmington Unified; Jamison was the medalist in the Western Lakes Activities Association tournament for the second year in a row, shooting a 79.

She was runner-up at the Oakleaf County Division 1 tournament and finished sixth at the Division 1 regional at Carleton. She averaged 41.7 per nine holes.

An all-conference golfer, Jamison earned a full-ride golf scholarship to Southern University.

"With the maturity she has shown this year in her game, we know she is ready for the next level," Farmington Unified coach Ann Marie Sopka said.

"She shows all the qualities of a true competitor. She is a true team player who has impacted the play of her teammates."

Heidi Altman, sophomore, Churchill; Altman tied for first place at the regionals by firing an 82, but she lost a tie-breaker on the first hole. She shot 273 to finish 13th in the state tournament.

Altman averaged 43 for nine holes and 98 for 18. She was named to the WLAA all-division team after shooting an 89 at the conference tournament.

"Heidi is one of a kind," Churchill coach Sharon Laskowski said. "She is full of energy and drive to succeed in something she truly loves to do, and that is to play golf at another level. She is very knowledgeable about the game and the steps needed to make her a better golfer in the future."

"She has an excellent work ethic and practices every round. She will continue to be competitive in coming years and, hopefully, an inspiration to the younger team members."

Kristien Polanski, freshman, Stevenson; Polanski qualified for the state final as an individual; she shot an 86 on the first day but did not advance. She earned all-conference honors by finishing fourth at the WLAA tournament.

Polanski won the Stevenson Invitational and earned medals at the Traverse City and Monroe Jefferson Invitational. She tied for first in duals against Waialake Central and Dearborn.

"Kristien is a skillful, focused competitor with a work ethic that will benefit her team for three more seasons," Stevenson coach John Wagner said. "She enjoys tough competition and has the work ethic it takes to continue to improve."

"Beyond her value to her team as a superior golfer, Kristien is an outstanding student, a sensitive team member, and she always displays a positive attitude."

Katie Carlson, junior, Stevenson; Carlson earned all-conference honors after finishing second at the WLAA tournament. She won duals against Franklin, Churchill, John Glenn and Canton.

Carlson tied for first against Waialake Central and Dearborn. She finished third at the Stevenson Invitational and Monroe Jefferson Invitational.

"Katie was a consistent contributor to our team's success throughout the season," coach John Wagner said. "She has a superior work ethic and has made tremendous improvement in the ability to score and manage her game."

"We will continue to be competitive next season, as we were this season, because of Katie's skill, drive and leadership."

Ashley Johnson, senior, Churchill; Johnson finished 16th in the state after shooting 174 at the state final. She fired an 88 at the regional to finish sixth and was an all-conference player by carding an 88 at the WLAA tournament.

Johnson averaged 49.9 for nine holes and 89 for 18 holes.

"Ashley has been a real joy to coach for the past four years," coach Sharon Laskowski said. "Her leadership — three years as captain — speaks for itself."

"She has a great work ethic, team spirit and sportsmanship that is respected by all the team members. She will be difficult to replace in the lineup and will be sorely missed."

"She has truly been a role model for the underclassmen on the team. She has the determination and know-how to succeed in whatever life she is offered."
