The Inspired

Word of God

There is so much written in the Bible about all of the different situations and emotions that mankind encounters each day. The Bible is, and will always be, the best way for us to learn about living a happy and virtuous life, and receiving salvation in order to spend eternity with our God in Heaven. The Bible has a multitude of different topics that are just as relevant today as they were thousands of years ago. It tells us about love, feith, hope, forgiveness, mercy, pride and almost any other topic you can think of. Not only does the Bible give hope and comfort to the world, it also is the Good News of our Lord and Savlor, Jeaus Christ. God wants his people to be happy in his world and to be a shining example of His great love. True and lasting happiness is not determined by one's passessions or status in life, but by the relationship and ove that they have with our Heavenly Father. The Bible tells us that the jey of the Lord is our strength, and to be joyful in hope, patient in affiliction, and faithful in prayer.

Thy word is a lamp to my feet and a light to my path. R.S.V. Psalm 119:105
