Doing the Right Thing

Doing the right thing is not always easy. It may involve a sacrifice on our part, or having to do something that we really don't feel like doing, Going to your chiefs think league ball game after a hard day's work attending a church function: or visiting a sick friend may involve extra effort on our part, but it may be the right thing to do. There are also thousands of worthwhile or antications requesting and needing our financial support, and trying to determine where we will donate our hard-earned money is not an easy task. We know that we should pary about to repthing, and the Bible tells us that our purpose is to do what is right, not only in the sight of the Lord, but also the the sight of the Lord, but also the the sight of

man
(2 Cor. 8:21). Everyone needs help and
support at times, and being there for
those in need treflects God's love and
is the right thing to do. God loves a
cheerful giver - that includes
our time, talents and money.

You know that Christ is righteous; you should know, then, that everyone who does what is right is God's child
