## Get There Happenstance Full Effect Records

Remember the rock you grew up on? The hard-hitting power chords, the stuff you'd shake a fist at? Happenstance, and the band is determined to bring it all back, an R&B-grounded sound as raw and in-your-face as ever, with its second release, *Get There*. The album is a follow-up to the band's debut, *Anytime, Anywhere*, released in January 1999. If the name sounds familiar, it might have something to do with the support the band's received from WRIF radio. Listen for an interview with Happenstance 10 p.m. Sunday, Jan. 14, on 101.1 FM WRIF.

The trio, which formed by chance in Canton in 1994, features Livonia native Robert Navarre on vocals and guitar, drummer Jay Woolsey and bassist Jay Mitchell. Navarre's smooth, strong vocals lend power to songs like *Know Solution*, the title track and the floating ballad *Come to Me*.

With influences like Rush, Kansas and AC/DC, Happenstance can't help but feed the flames of rock in the metro area. And isn't it about time? Learn more at <http://listen.to/happenstance>.
