 Everyone Welcome

Don't be a grouch.
 Our attitude and the way we treat others affects the people around us and also influences our own outlook on life. Being nasty or grouchy serves no purpose and will not make our day any better or our tasks any easier. Being a grouch is just being mean, and no one wants to be around a mean person. Someone that develops a positive attitude and a pleasant personality usually has a more enjoyable and contented life. We realize that someone's personality is normally developed and formed at an early age; however, being aware of our negative inclinations can help us to be better, more positive people. Being assertive is quite different from being mean and nasty. In the Bible, Jesus was assertive, but He was never nasty, mean or obnoxious. God loves His people, and everything that He does is because of His great love for all mankind. When we smile and show a gentler attitude, we reflect God's love and things just seem to go better.
 As God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience.
 N.I.V. Colossians 3:12
