Retail association offers new loss prevention books

Michigan Retailers Association has two new Loss Prevention series booklets available.

How to Detect Counterfeit Currency shows retailers and their employees how to distinguish between genuine and counterfeit currency and gives tips on what to do if presented with suspected counterfeit cash. The booklet includes a section on security features added to the recently redesigned U.S. currency.

How to Prevent Return and Loyalty Losses presents guidelines for developing sound policies on merchandise returns and lay-aways that maintain a balance between

customer satisfaction and a healthy bottom line. The booklet incorporates the latest changes to state law on return of sales tax to customers.

The **Loss Prevention** series is designed to help retailers and other businesses avoid costly losses from fraud. Other titles in the series are **How to Prevent Shoplifting** and **Employee Theft**, **How to Prevent Bad-Check Losses** and **How to Prevent Credit Card Fraud**. The booklets are \$3 each and can be purchased from the association by contacting **Retha Lachance** at (800) 566-3659 or rlachance@retailers.com.
