Read the Instructions

Whenever we purchase a new appliance or piece of equipment, we should always carefully read the instructions or manual that accompanies it. It is a good idea to file this information away for future use. In case the item breaks or doesn't work properly, God has given us the Bible, which has wonderful instructions for our life. However, unlike these instruction manuals, the Bible is not something that we should put away and read only when something in our lives is not working right. Just as we should keep a good relationship with repairmen and mechanics who can help us when something breaks down, we should also maintain a good relationship with our Lord. We should be aware that we will always need our Heavenly Father's help, and remember that God's loving kindness is always there for His people. The Bible tells us that if we draw near to God, He will draw near to us, and if we seek the Lord, He will answer us and deliver us from all of our fears.

Blessed is the man who trusts in the Lord, whose trust is the Lord.

R.S.V. Jeremiah 17:7
