**Having a Good Day**  
Everyone enjoys having a good day, and when we feel good both physically and mentally, it is beneficial for our overall well-being. When a person feels good, they seem to have more self-confidence and things just seem to go better for them. When we include God in our everyday activities and recognize that He is our source of strength, our lives become even more complete. God wants us to be happy people and to have pleasurable days with total trust in His everlasting love for us. And, although life bears many daily challenges, the way we handle these various situations can often determine the kind of day we will have. An active prayer life, a good attitude and a positive outlook are ingredients that will help us to have good days. Each day we should resolve that we will not let other people's negative actions or words hinder us, and we will put our trust in the Lord who gives us strength and confidence.  
But, you are a shield around me, O Lord; you bestow glory on me and lift up my head.  
N.I.V. Psalm 3:3
