son. Susan, when she's on a firmer course, is going to run a lot better, and Amy Miller is improving as we go. Hopefully, we can get Kristian and Anna healthy, and we'll be pretty solid going into the state meet."

Farmington, which won a regional championship in Division 2 last year, was led by junior Claire Czaplicki, who was ninth (22:27).

Sophomore Rachael Butten was 12th (22:33), senior Kristin Balla 17th (22:49), senior Megan Annarino 26th (23:19), freshman Ava Kiblawi 33rd (23:36), senior Shanna Barkume 38th (24:09) and sophomore Jenny Hall 63rd (25:26).

**HARRISON'S METRY WINS REGIONAL**  
Farmington Harrison senior Christine Metry won the Division 2 regional at Ann Arbor Pioneer with a time of 21:26.

"We thought she had a chance to do that," coach Mark Babcock said, "she wanted to lead from start to finish. She never slowed down, never turned around or anything. She ran the kind of race she needed to run."

"She was looking forward to this. One of her goals was trying to win the regional. She was pleased; we all were. She's had a really good season."

Harrison freshman Shannon Bailey was seventh (22:31) and senior Ashley McMurry 11th (22:51), qualifying them for the state meet, too.

"Shannon has been a little hurt; her legs bother her periodically," Babcock said. "But she just started feeling well the last week of two and it showed. She came on at the regional and ran exceptionally well."

"Ashley has been solid as a rock all year. She's a great senior captain who has done everything right. She prepared hard for this year and ran consistently well every week. She's pleased to be going to the state meet and she deserves it."

The Hawks barely missed qualifying as a team for the second straight year, finishing two points behind third-place Ypsilanti, 77-79. Madison Heights Lamphre won the most, and St. Clair Shores Lakeview was second.

**MARLINS SEND TRIO TO STATE**  
Marly senior Vel Durley is going to the Division 1 state meet for the third year in a row after finishing 18th (22:42) at Kimball and just making the cutoff.

Any runner in the top 15 who is not a member of a qualifying team becomes an individual qualifier.

The Marlins qualified a pair of freshmen, too. Amanda Nagy was 11th (22:33) and Shannon LaFave was 12th (22:35).

"That's the first time Nagy was our No. 1 runner; that was probably the biggest surprise," Metry coach Gary Seneals said, "LaFave had been pretty much our No. 1 most of the year."

"They lead a strong group of freshmen whom Seneals hopes will return and make the Marlins better next year."

"They set a high standard for themselves," he said. "I hope they work a little harder to get a little higher next year."

"This is the kind of sport you have to keep going. You can't take a season off and expect it to keep happening for you."

Metry missed as a team by 22 points last year, so nine was a big improvement. Seneals hopes that number drops again in 2002.

"I'm happy with what we did, but we don't want to be satisfied," he said. "You have to keep working at it if you want to get there."

**HAWKS, RAIDER BOYS QUALIFY**  
Harrison's Brian Coats (Junior) and Greg Ardiana (senior) qualified in the Division 2 boys regional at Pioneer. Coats was fourth (17:23) and Ardiana 13th (18:10).

"Greg came on well at the end of the year," coach John Reed said. "Greg's two best performances were at the conference meet and regional; so he ran really well when it counted. It's nice to see because he's a senior, and he's worked hard to get to the state meet."

"Brian was in the low 90s at the state meet last year, and I think he's going to move up quite a bit this year. His goal is to be somewhere in the 30s or maybe better. He works hard and he's going to do real well at the state meet."

Harrison, a team state qualifier last year, was fourth behind Lamphre, Harper Woods Notre Dame and Orchard Lake St. Mary's.

"We were disappointed because we were hoping this year we would've been one of the top three teams," Reed said.

He added the team's fifth and sixth runners got the flu last week and hadn't fully recovered to be effective in the regional race.

Harrison's third and fourth runners, Dan Coats and John Keller, weren't far from qualifying either, taking 18th and 19th places, respectively.

North Farmington Junior Ben Gannon met the standard for state-meet competition in Division 1 at Kimball, finishing 10th (16:02).

"I think he did a terrific job," coach Paul Welch said. "I can't say enough about Ben's performance. It was just a very gutsy race for him."

"He has been continually improving from his freshman year 'til now. His dedication and hard work is paying off for him."

North Junior Jeff Mataya just missed, finishing 10th (16:10). Junior Dan Carlson (19:21) and Eugene Fuman (19:37) also were in the top 50 at Nos. 31 and 44, respectively.

Farmington's top runners were Junior Ryan Kiblawi in 19th place (18:38), senior Chris Tobe in 23rd (18:55), sophomore Lance Dawson in 47th (19:43) and senior Tom Peszek in 49th (19:44).
