Joseph and Forgiveness
In the book of Genesis, starting with chapter 37, is the most beautiful story of forgiveness and how all things work for the good of those who love the Lord. The story of Joseph tells in detail how he was betrayed by his brothers and sold into slavery. Through many interesting turns of events, Joseph gained favor with the king and was subsequently made governor of Egypt. Years later, Joseph saved his family from famine and forgave his brothers for their evil deed. He knew that although they had plotted against him, God had turned it into good. It is so difficult to understand how God can turn seemingly bad things into good, but "we know that in all things God works for good with those who love him, those whom He has called according to His purpose" (Romans 8:28). Forgiveness, compassion and love are all gifts from God, and our Lord wants us to share these gifts with others just as our Heavenly Father shares them with us.
Give us this day our daily bread. And forgive us our debts; as we forgive our debtors.
