Horse-drawn carriages took the wedding party to the reception after Nancy Kathleen Poff was married to Robert Lockwood Button on June 22. The wedding was held at the Martha-Mary Chapel in Greenfield Village, with the Rev. Gary Gruber, of Grosse Pointe Memorial Church, officiating. The bride is the daughter of Mr. and Mrs. Henry M. Poff, of Redford Township. Mr. and Mrs. Robert O. Button, of Marshalltown, Ia., are the bridegroom's parents.

THE BRIDE wore a dress of white silk organza over peau de soie with beaded lace, the bodice and hem were trimmed in the same chantilly lace. A bouffant elbow-length veil fell from a silk organza flower accented with seed pearls, and she carried a cascade bouquet of white roses, cymbidium orchids, stephanotis, and lily.

Mrs. Faye Nozaki, of Ypsilanti, served her cousin as

Offer Cultural Events

Seventeen performing groups and three touring exhibits were added to the Michigan State Council for the Arts Touring Attractions "Cultural Meats" for 1968-69.

The vivid yellow and red touring attractions packets contain 84 entertainment listings in the categories of dance, theatre, literature, music and multi-arts.

Initiated only a year ago, the state arts council's touring program is designed to aid Michigan communities initiate or expand current cultural programs.

Local sponsors needing financial assistance to support selected cultural programs may apply to the MSCA for partial support. Approval of supporting grants is determined by availability of funds, equitable geographic distribution and diversity. The fact that the attraction will introduce a new cultural experience, or will augment an on-going cultural program in a community.

Prior consideration is given to requests for assistance from geographically remote communities and to disadvantaged inner city areas.

MSCA touring exhibitions in the visual arts category have no fee attached. However, the sponsoring organization must assume shipping costs for the exhibit.

Added to the touring attractions program were: Dance-Orechesis group from Michigan State University, William Hugg with Kitey Placard from Interlochen Arts Academy.

Blouses Popular

The shirt and blouse are back in the 1968 fashion spotlight, along with waistlines, curves and mow-fresh femininity. Fortunately, most of these up-to-date blouses and shirts are made of fabrics which have great wash-and-wear ability. Cotton and cotton blends lead in the sportswear field, while dacrons, nylons and linens in varying degrees of sheerness are favorites for afternoon and evening wear.

Adds To Rice
