JUDGE NELSON for DISTRICT COURT

EDUCATION. Robert H. Nelson earned a bachelor's degree (magna cum laude) at the University of Detroit, a law degree at Harvard Law School and a master's degree at Harvard Business School.

EXPERIENCE. For the past thirteen years he has practiced law in Oakland and Wayne counties, his office being located in Westbrooke Center in Farmington Township. Judge Nelson began his judicial duties when he took office as township justice on July 4, 1959, and he has held this judicial office ever since, running for re-election in 1963.

Earlier in his life Judge Nelson was an Eagle Scout, an Assistant Scoutmaster, a naval officer who landed in Normandy on D-Day and a Certified Public Accountant in the Detroit office of Peat, Marwick, Mitchell & Co. He is still a C.P.A., although inactive.

ACTIVITIES. Judge Nelson is a member of the American Judicature Society (organized to promote the efficient administration of justice), a member of the Michigan and Oakland County bars and has been admitted to practice before the Supreme Court of the United States.

He has been a member of various professional committees and has had two professional papers published in national journals, one of which was republished in a book put out by McGraw-Hill.

Judge Nelson is a member of the North-west Traffic Safety Committee (serving southeast Oakland County, including Greater Farmington). He serves on the Greater Farmington Youth Guidance Committee (1959-1964).

Besides working in the Normandy Hills Ass'n, the Kendallwood Ass'n and the former Farmington Twp. Civic Ass'n, he served as the secretary, and then as the president, of the former Farmington Twp. League of Subdivision Associations in 1964. He assisted in the organization of the Briar Hill Ass'n, the Franklin Forest & Fairway Ass'n, the Holly Hill Farms Ass'n, the Orchard Meadows Ass'n and the Westbrooke Manor Ass'n.

Starting in 1964 Judge Nelson has been active in efforts to encourage and restore the celebration of the Fourth of July, in order to help younger generations achieve a better appreciation of our American heritage. The Kendallwood I and Colony Park committees is very pleased that for their celebration this year he received an acceptance, as Fourth-of-July orator, from the senior United States Senator from Michigan. Last year's was the congressman from Michigan's 10th District, and an Oakland County Circuit Judge before that, so there's been help from high up as well as from many local people.

FAMILY. Judge Nelson's family consists of his wife, Sib (for Sylvia, somehow), and their 12-year-old daughter, Ingrid.

Farmington's present lower-court system of justice and municipal courts is being altered next January into a lower-court system which was rushed into law at the last minute but which nevertheless will be a great improvement, especially for ordinary citizens before the court, that is, if certain aspects can be ironed out and it can be made to work well. Judge Nelson, with his qualifications, feels this can be done, so if you want to keep him on the scene, look for

Wood Creek Farms

ANNE M. PHILLIPS MA. 4435

The Men's Civic Association met last night at 7:30 in the Agallios. It deserved a much larger attendance than was possible at this vacation time of year. They had an outside speaker, Detective Sgt. William Kelly, from the Farmington Township Police Department, who gave a fine talk of police protection.

Points he made were: 1. Wood Creek may expect the same protection that any other part of the township is given; 2. Many robberies take place during broad daylight; 3. Rumors tend to excite people and are passed from one person to another very rapidly, often enlarging in text and scope like a rolling snowball. A.L.L. rumors should be reported to the local police department; 4. There is a mutual aid program whereby 17 southern Oakland communities join together in case of an emergency. If one community is having an emergency, the other 16 communities send men and aid; 5. Wood Creek also has the support of the Michigan State Police and the Oakland County Sheriff's Department.

Farmington Township Police are well trained in riot control tactics, and are presently undergoing further training.

ALLAN SULTAN, one of the newer residents of Wood Creek, informed those present at the meeting that in the future it will be more difficult for other areas to attempt the incorporation of Wood Creek because of a new law that has been passed. He stated that this is not the time to commence with a police department because: 1. too expensive; 2. most offenses are minor; 3. wrong doors are often sporadic outsiders.

Allan has studied many police departments as to the equipment needed as well as the finances involved. He stated that the Men's Association should continue their studies of police departments.

TIM and TERRY TROUT are spending the week at Boy Scout Camp Agawam near Lake Orion. These boys are busy working on merit badges and advancement ranks as well as swimming, leather craft, canoeing, etc. Tim is a star scout working towards his Life rank, and Terry is working on first class Scout.

George is commuting between home and Agawam because of a change in his schedule.

some time. A service was held for him before he was taken to Vandalia, Ill., for other service and burial. We wish to express our sincere sympathy to Philo and to his family in this loss.

LOU LIVIS retired from the Detroit School System last month. She is now a lady of leisure. It was certainly nice to have her with us at the picnic.

John Horvitz is touring abroad for the summer as an extension of his University of Michigan studies. He is finding it most interesting and enjoyable experience.

Peggy Preuss is to be married July 27. Last Monday, friends of the Preusses in Westgate Village had a bridal shower for Peggy. In addition to many lovely gifts Peggy was delightfully surprised by most unusual gift from her parents—a puppy.

Kevin and Colleen Kers and Pat, Jimmy and Billy Schneider, have been going to the Y.M.C.A. Day Camp at Kensington. Last Tuesday, the camp had its first overnight trip for the six-12 year olds. A wonderful event in their young lives.

Youth Admits Assault Guilt

Michael Rouse, 17, of 22041 Colgate, Farmington, pleaded guilty to a charge of assault and battery before Municipal Judge Michael J. Hand Thursday after a fight on Grand River with another youth the previous day.

Hand delayed sentencing Rouse until this coming week.

Police arrested Rouse Wednesday on the complaint of Donald Gould, 17, of 20303 Purtingbrock, Livonia, who said Rouse had struck him twice. The two youths formerly worked in the same Farmington restaurant.

Traffic Light Set For Corner

A flashing traffic signal will be installed at the intersection of Farmington Rd. and 13 Mile Rd. as soon as the Detroit Edison strike is settled.

Farmington Township Supervisor Curtis H. Hall read a letter from the Oakland County Road Commission during this week's township board meeting.

The commission said that a traffic count showed that the volume of traffic was not high enough to justify the installation of a regular traffic light.

In announcing the decision the road commission cited the accident rate at the intersection as a basis for the installation.

Scouts Expect Best Camping Turnout Ever

More boys than ever before are expected to take part in summer camping activities of the Clinton Valley Council, Boy Scouts of America.
