Diabetes Tour de Cure seeks cyclists

Time to start practicing and shape up for the American Diabetes Association Tour de Cure on June 23, starting in Brighton.

The annual cycling event raises money for diabetes, the nation's sixth leading cause of death. All funds raised will be used to support research and programs that will improve the lives of all people affected by diabetes, including 436,000 and 6,100 children in Michigan.

"Many people will participate in Tour de Cure for the stimulating competition, camaraderie and physical cycling challenge. But the real reward comes in knowing that

every mile they ride and every dollar they raise brings us that much closer to a cure for this disease," said Andrea Maddox, ADA's executive director in Michigan.

Tour de Cure raises funds through registration fees and pledges collected by the cyclists. To register, cyclists or volunteers can call the American Diabetes Association toll-free at: (800) TOUR-888, or visit the Web site at: www.diabetes.org/tour.

Tour de Cure features a variety of routes, including a 7-, 15-, 35-, 50-, and 70-mile road route and an 8- or 14-mile mountain bike trail.
