

Senators: Listen to the Voters, Not the Lobbyists: Pass Do Not Call

Telemarketers and their lobbyist friends are attempting to scuttle a bill that would allow you to severely limit the number of calls you receive and put your free time back in your hands where it belongs. If the bill passes, you could get on a statewide Do-Not-Call list like those in 26 other states. You could free yourself from sales pitches at the most inconvenient times of the day or night. Unfortunately, House Bill 4042 is stalled in a conference committee.

Please contact your state senator; ask for a strong Do-Not-Call law now.
