Mom Is...

Mom is...
The problem solver
Cooker of my food
My tender loving care
My protector if she sees a bear
She helps me fix my hair
She tells my brother to leave me alone
She shows me what to do and don't
She buys me the things that I want and don't really need
She is the person that does most of the cleaning
She is the one who feeds me
She is the chore giver and commander of the house
She's my mommy!

One I Love

Mother, you're the one I love,
One and only is your love.
Trust always comes in handy,
Helping me feel fine and dandy.
Extraordinary is always you,
Right beside me through and through.

Almee Jokinen

Mother

My mother is great.
My mother is sweet.
She is making my great poetry.
She helps me up,
When I'm feeling down.
She makes me happy
When I have a frown.
My mom is the only one
That makes me want to be
Proud to have a mom!

Mom Recipe

Take a pinch of love.
Mix in some laughs when I do something silly.
Add her favorite color.
Then pour in pieces of her homemade pie.
Don't forget her big hugs.
Then stir it all together.
Last, kiss it not one, two, but three times to show I love her.
That's my mom!

Patty Malaney

My Mom

My mom is so loving and so true
She cares for me and feeds me
She loves crocheting almost as much as she loves me
She enjoys making blankets, while watching hockey games
She cares for me and feeds me
She loves to go out gardening, and hear the birds sing
She enjoys making blankets, while watching hockey games

She loves soft rock music,

she could listen to it all day

She loves to go out gardening,

and hear the birds sing

Even though she can be nice,

she yells in a certain way

She loves soft rock music,

she could listen to it all day

She does things wrong too

but I love her just as much as if she didn't

Even though she can be nice,

she yells in a certain way

She loves crocheting almost as much as she loves me

She does things wrong too,

but I love her just as much as if she didn't

Excellent in teaching me things

Royal to me

My mom is so loving and so true

My Mother

My mother is there when I'm sad or mad
She is always there to comfort me
She does my laundry and makes my food
She helps me when I skin my knee
She helps me with my homework
I understand it right away
The best thing about my mother is she loves me everyday

She takes care of me when I have the flu

It's an awfully messy job

She is the best cook in the world

Especially her corn on the cob

She catches me when I sneak candy

She has eyes behind her head

She makes me do my chores

Like empty the dishwasher and make my bed

I am a lucky little boy

To have a mom like her!

Mom's Great

Marvelous mom is, she sometimes gets mad.
Occasionally I see mom cleaning the house.
Trustful is what my mom teaches me to be.
Help is what my mom likes to do.
Every day my mom helps me.
Really my mom is GREAT!

How She Acts

Marvelous is how she acts
One and only to me
Tender in many ways
Happy is her mood
Excellent in teaching me things
Royal to me

My Best Friend

My friend
Obedient
Truthful
Enthusiastic
Respectful

My mom is like my best friend
She is the most obedient person I know.
She is one you can count on to be truthful.
My mom can help me with anything.
She is very enthusiastic.
My mom respects life.

My mom's name is Cheryl

She got the pearls from her friend Carol

My Mom

My mom is like a butterfly on a tree.
She is so precious to me.
She makes me my meals and pays the rent plus she loves me to death.
But I know I will always love her more.
She is my mother and so much more.
She drives me to sports and games and plays.
She is so awesome but she isn't a maid!

When I'm feeling down my mom cheers me up by acting like a clown.

When I am sick and have the flu,

my mom becomes a doctor too.

When we go shopping at Limited too,

my mom always gives me a buck out of her shoe.

When I am studying for a big test

my mom always helps me to do my best.

When I am in my hot tub and need a drink

my mom always fetches it from the sink.

My mom is like a butterfly on a tree,

she couldn't be any more precious to me.

My Beloved Mom

Heat my oven with a bundle of love.
Take a spoonful of encouragement.
Take a pinch of her Sandra Brown books.
Put in half a cup of her special smiles.
Don't forget to add the shopping.
Put the support in one at a time.
Gradually add the cooking and cleaning.
Melt in all the time she has for me.
Slowly add in her career.
Carefully add in her being a great spectator at all my games.
Be sure to add her funniest jokes.
Put in three cups of manners and discipline.
Mix it all together.
And that's my mom.

Mom

My mom is the best there ever could be
My mom is always there for me
She helps me do my homework everyday
And then I go outside to play
I have other nice people in my family like my brother
But he can't even match up to my mother
My mom tucks me in at night
Then she gives me a hug and turns out the light
My mom tells me she loves me up to the sun
And I tell her "I love her too,
More than anyone."

Ryan Zarrae

My Mom

Take a drop of kindness.
A favorite sweater of hers
An ounce of cleverness
Take a pinch of sympathy.
Her favorite dress
A little bit of will
A gift for teaching right from wrong
Instead of putting it in an oven
Put in my mom's warm smile and you end up with
My Mom

My Mom

My mom is always busy.
So I try to help her instead of watching TV.
Or playing an awesome video game I really wanted to play.
My mom always greets me with a big smile and "Hello"
That cheers me up from a hard day at school.
My mom cooks me dinner that I think is great and
There is something new to eat every single night!
My mom takes me to soccer games and even practices too.
So I try to help her out when my mom is busy.

My Mom

My mom's name is Juliet.
She is as pretty as a violet.
My mom's voice is like an angel calling my name.
When I needed her she always came.
My mom is always full of laughter.
Her day ends with a happily ever after.
She always has a dime to spare.
When we are at a fun fair.
If we are playing a game and she wins.
On her face will be a big grin.
I know she loves me and takes care of me.

My Mom

A little bit of love
And a little bit of care
Is a warm heart
Which is standing over there.
This warm heart is like a white dove
Which is filled with a lot of love.
Yes that's my mom
Which nobody can change
She loves and cares
for me everyday.
