Like My Mom

My mom's shirt is as pink
as a flower that's new.
Her favorite color is blue.
She's special to me and you.
And she likes to play games
like catch, too.

I Love My Mom

I love my mom because she takes
care of me.
She is always there for me,
especially when I am down.
I love my mom because she always
loves me
and does the things that I like to do.
I love my mom just because she is
my mom and that will always
stay true.

Jasmine Dubauskas

Mom

The love of my mom for me is
like a tornado.
The bond of love between us is
like electronics.
Her eyes are as brown as dirt.
P.S. I love her more than money.

A Mom is Good For...

A Mom is good for
being there for you when you
need someone to hug.
A Mom is good for
someone to make you feel good
when you're sick.
A Mom is good for
making your day brighter
when it is blue.
A Mom is good for
scratching those hard-to-reach
places on your back.
A Mom is good for
many, many things, but best of all,
just loving you.

Peter Kosinski

Happiness Is

My mom is special
She is a lot of fun.
She makes me happy
She makes me laugh
She drives me to cool places like
the art museum and parks I've
never been before.
She makes me good dinners like
pizza by herself!
She makes me feel better when
I'm sad or hurt myself.
She helps me with homework
She writes notes to me when
she's not near.
She takes me to the pool and that
makes me happy.
When she's, I am too.
I love my mommy.

My Two Mothers

A Mother is a Home
My mother is a place of love
and happiness that you can
go to when you're lost.
A place that you don't have to
maintain,
But should not mistreat, because it
might not be there one day.
A Map of Memories
My other mom is like a map.
Her past is like a storybook
full of thoughts, beliefs and
memories
That leads the way,
so that I won't get lost.

Daniel Medhi

My Mother

My mother loves me
Organizes everything
Thoughtful of me
Huggy to me a lot
Excellent at helping
Heads to me every night

Alex Czarnik

My Amazing Mother

My mother, protector and my teacher
With unconditional love coming
with her
She is my hope when things
look grim
Her voice cheers me on
"You can beat him!"
She is my light when all else is dark
My only hope, my only spark
All that she's been through for my
brother and me
For her I would cross a thousand
seas
The debt I owe her can never be paid
Only to be the kind child of that
which she prayed
I'd do anything in the world to make
her happy and free
As long as she lives and loves me.
