being our last home meet and last dual meet of the year," Farmington coach Chip Bridges said. "It was nice to get a victory. The kids have been showing improvement. It's a struggle when you're as young as we are and lose. But they're hung in there, and it's nice to see them get a victory."

"We really do seem to be running much better than we did earlier in the year, so that's pretty gratifying. We're very excited about the end of the season and the regional. I think there are a couple events we can do really well, and we have goals for the conference meet. It was a really nice way to start out the championship part of the season with a dual-meet victory."
