Memorial Park pavers available

Memorial Day is a time not only for picnics and parades, but also for reflection and family togetherness. When families gather, thoughts often turn to memories of those who have passed away over the years.

If you live in Farmington Hills, there is now a meaningful way to pay tribute to lost loved ones and commemorate them right here in your own hometown. Memorial Park, brick pavers placed along the park pathway give community members a chance to share their tribute through this special acknowledgment.

With a donation of \$100, individuals or groups may purchase a brick inscribed with the name or message of their choice. Last year, 34 engraved bricks were placed along Memorial Park's pathway at the corner of 11 Mile and Middlebelt.

In 2001, Memorial Park was refurbished with new landscaping, sidewalks, and a granite memorial. In addition to bricks, other memorial purchases are available which include trees, benches, and birdhouses.
