## Where can I find?

Through reader feedback, this interactive feature is dedicated to helping readers locate retail merchandise that's difficult to find.

If you have a request or information about where a product is sold or service is available, call (248) 901-2555 and leave a message with your name and phone number.

Please be patient about your requests and feedback; we receive an overwhelming number of phone calls.

Also, please spell any uncommon items. If you don't see information about your request, we couldn't find it. Requests are published twice.

## Golfer's massage relieves muscles

Tamara Spa, 32520 Northwestern Highway in Farmington Hills, is introducing an all-new, 70-minute sports massage, especially for golfers.

Massage is beneficial for lots of reasons, but the most important one is circulation. If a muscle is stiff because of a long day on the golf course, getting oxygenated blood to the area improves the

condition rapidly.

Spa owner Tamara Friedman said there are also reasons to get a massage before a round of golf.

"Massage makes the muscles more pliable and may lessen the chance of injury," Friedman said. "The pre-exercise massage is a little different from the one you would get after playing. It is designed to provide more of an

energizing feel."

Manipulating soft tissues feels good, Friedman said.

The Golfer's Sports Massage at Tamara Spa, \$90, increases circulation, "loosens up" muscles, reduces pain and swelling and decreases blood pressure and heart rate.
