Grand prize: Joan Gomez shows off the prize package presented to her by Downtown Development Authority president Ron Oglesby. Gomez won first prize in the DDA's June contest, a get-away weekend for grandparents and their grandkids at Mackinac Island. Daughter Marcia Fink and grandsons Brian and Chris Fink hope they'll get to make the trip, too.

Introducing Oakland Virtual Medical Center, Oakland County's premier outpatient resource dedicated to serving the needs of patients and doctors.

At the Oakland Virtual Medical Center, eight state-of-the-art outpatient facilities have been redesigned to provide a forward-thinking, interconnected resource for state-of-the-art outpatient care serving all of Oakland County. Here you'll find a friendly staff of professionals ready to care for the individual needs of patients and doctors.

Doctors will appreciate our Virtual Scheduler™ technology and prompt on-line test results. Using our advanced software, they can schedule treatment or review a patient's test results on-line. Beautifully refined surroundings make visits more relaxing for everyone and afford ample privacy for consultation. No request is too great. No service is too small. We even serve a great cup of Starbucks coffee!

The future of outpatient care has arrived in Oakland County. Visit our website at www.oaklandvirtual.org and discover the difference it could make in your life. Or call (866) 887-OVMC (6882) for complete information.
