In my family, learning is everything.

Books don't just enlighten. They empower. Our children are growing up knowing this. A good education is one of the most important things we can give them. And we will, with the help of U.S. Savings Bonds.

Through the Payroll Savings Plan, we put aside something with every paycheck. And little by little, it will add up to college for our children.

U.S. Savings Bonds helped my parents put me through college. And next year, it's Michelle's turn. Sure, Savings Bonds have important to our past, but they'll be even more important to our future, that's what makes our investment so valuable.

Ask your employer or banker about saving with U.S. Savings Bonds. For all the right reasons.
