

# Coat drive begins

Oakland County Sheriff Michael Bouchard announced the start of the 2002 Coats for the Cold collection.

The effort is sponsored by the Oakland County Sheriff's Office and runs from Dec. 2-16.

Bouchard began the project 16 years ago, and it continues to grow each passing year. This year, more than 50 locations throughout the county have been secured as drop-off sites.

The new or clean, used coats collected during the next couple of weeks will be given to several different charitable organizations, which will in turn distribute the coats to those most in need.

Those interested in making a coat donation should call Mandy Ford, community liaison, for the nearest drop-off location, (248) 858-1947.
