### Fancy Buckles 'In'

Highly decorative buckles are in as the center of interest in a costume, especially for evening wear. Buy buckle forms and cover them yourself to match the fabric in the dress or belt.

When buying an electric appliance, look for the UL seal of approval on both the appliance and cord, advises Mrs. Cecile Sinden, Penn State extension home management specialist. The Underwriters' Laboratories, Inc., approves equipment only after it has passed special tests for safety.
