A GAS INCINERATOR TAKES THE FUN OUT OF LIFE!

You hate to spoil a dog's fun, but after all you don't want to lead a dog's fire either — make daily frips to a smelly, dispase-infested garbage can—dashing through fool weather to the jourdoor trash can! Not when a Gas locin-realor will do the dispaseable joos for you indoors. Put a smokeless, odorless Gas incinerator in your basement, garge or utility rooth, drop in your garbage and trash, set the internal or will saw, Nasty weathers, smoke, odd — forget it — for only pennies a day.
