Communication

The return of our young men, who have gone out into the big busy world where competition is so keen and yet have done so nobly and so well, is an inspiration to us to do our best, too.

But in the meantime our own little world has not been standing still. We have a mayor and a council that have been bringing things to pass for us. We have a good sewerage system, and have now almost completed a water works system that cannot be equalled anywhere in this state in a town the size of ours. Our school board is working too and planning for a more efficient school.

Our citizens are public-spirited. We see a wholesome tendency on every hand on the part of our residents to beautify their homes. Scores of houses are receiving new coats of paint, lawns are being nicely kept. Improvements are taking place on every hand.

Let us all join hands together for a boost of our own home town—to boost our council, our school, our merchants, our churches, our people.

To be up with the spirit of the age, to keep step with present day progress we must seize every opportunity, and make still more opportunities to advertise our town. Farmington must have a celebration soon. Some day, perhaps, we may have an "Old Boys' Reunion."

For Sale—A good horse.—C. H. Ely, Farmington.

Dedicate New German Church

Next Sunday, August 11, the German Lutheran congregation of Greenfield will celebrate the dedication of their new church, which was recently constructed by Lewis Friedrich, to take the place of the old structure which was destroyed by fire last winter. Located four miles east of Redford village, corner Waterford and Church road. Rev. Hartwig will deliver a German ceremony in the forenoon, commencing at 10 o'clock. A well known clergyman of Detroit will deliver an English service in the afternoon, commencing at 2:00 o'clock. The ladies' society will serve dinner to the visitors. The congregation extends a cordial invitation.

There is more death in this section of the country than anywhere else, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. It was never cured by a local treatment, and therefore requires constitutional treatment. Early Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure for Catarrh. It is taken internally and does from 10 to 20 cents a dose. It acts directly on the blood and cures the source of the trouble. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, etc. Take Hall's Family Pills for constipation.
