**A Mother's Understanding Love**  
A mother's love and example are treasures that their children carry with them throughout their lives. It seems that mothers have a special instinct and know just what to say and do for every situation that arises within a family. As a young boy, I remember whenever I did something wrong, it seemed that my mother always knew when I needed a good talking to. But in many cases, she wouldn't have to say a thing. She apparently could just sense when I was truly sorry for doing something wrong, and no scolding or discipline was necessary. Like all good mothers, she was always aware of my feelings, and her loving consideration simply made me try to be a better person. Our Heavenly Father deals with us in the same way. Whenever we do something wrong, God doesn't give us "time out," take away our TV privileges or punish us. He just wants us to be truly sorry for doing something wrong and to know that we will try to be better. Mothers set the example for their families, and their love and understanding are manifested in almost everything they do.  
She opens her mouth with wisdom, and the teaching of kindness is on her tongue. RSV. Proverbs 31:26
