Slow Down and Enjoy Life
Despite all of the time-saving technologies at our disposal, from fast-food to fax machines, most of us feel more hurried and harried than ever before. Recently, I had the experience of walking across a beautiful college campus and noticing a newly erected sculpture. My first impulse was to say to myself, "Don't stop to look at it now, you don't have the time." Then I realized that I honestly didn't need to be in such a hurry, and that an extra minute or two to look at this work of art wasn't going to negatively impact my day. On the contrary, slowing down to enjoy this artwork impacted my day in a very positive way. A wise man has said that the secret of life is enjoying the passage of time. But, we can't enjoy the passage of time if we are forever trying to beat the clock. Today's lifestyle is fast paced; however, slowing down and enjoying God's beauty, such as watching a sunset, or just sitting outside and watching the birds, can be relaxing, and is beneficial to our well-being. There are countless things that we can see or do to make our lives more enjoyable and peaceful. The Bible tells us that God generously gives everything to us for our enjoyment. We should be aware and thankful to God for all the wonderful things in our lives.
The flowers appear on the earth, the time of singing has come, and the voice of the lark is heard in our land.
R.S.V. Song of Solomon 2:12
