High-speed chase ends in Portland man's arrest

A high-speed chase ended in arrest for a 21-year-old Portland man on Thursday

evening. The man was traveling with a group of motorcyclists at a speed of around 90 miles per hour on I-696 just east of Haggerty around 8:15 p.m., ringgerly around 6:10 p.m., according to a police report. When the group was pulled over, the cyclist who was locat-ed toward the rear of the pack, sped off, with an officer in pur-

speed oft, with an other in pur-suit.
With the help of other offi-cers, the chase ended at the BP Gas Station at Northwestern and Franklin.
The reporting officer noted that there was no plate on the motorcycle. The man was detained without incident for fleeing and eluding, and told police he field because he didn't have the cycle registered.

Web company moves into Farmington Hills

A Windsor-based company recently opened offices in Farmington Hills to expand its business in the U.S.

Paramedia Inc., which started in 1999 in Windsor, Canada, specializes in high-end Web, print and multimedia design.

According to Paramedia

print and multimedia design.
According to Faramedia
CEO Rob Pepper, the decision
to expand to the United States
was the chance to capture
great growth potential in the
area for small businesses.

"Being the largest economy in the world, the United States provides us with a great market for our design semices"

is also conven-ient for our U.S.-based clients.* Although hendquartered in Canada, Paramedia is not new to the Detroit mar-ket. It has done ket. It has done

work for the Detroit International Jazz Fest and the

International Jazz Fest and the Greektown restaurant Sweet Georgia Brown.
Paramedia provides services to a wide range of industries, such as manufacturing, technology, retail, health care, education, arts and entertainment and media.
"We like to provide (clients)

with a combination of design and technology – something stunning for a client that will generate sales for them, Pepper said. If en noted his company can handle different aspects of a presentation project.

handle different aspects of a presentation project.

If we're hired to do a Web site, we'll go and take care of the business cards and the brochures for example, he said. While production work is taking place in Canada, a sales office is in Farmington Hills.

We do anticipate expanding, Prepare said of bringing on designers in the area.

Parade applications due June 27

Anyone interested in participating in this year's Farmington Area Founder's Festival parade has only a few more days to get an application in to the parade committee. Chairperson Dick Tupper says applications are available on-line at www.foundersfestival.com or by calling (248) 932-FEST, the festival hotline.

Last year, more than 60 units participated in the parade, which will be held on July 19 this year. The perade starts at 10 a.m., with participants asked to be ready to line up at 9:30 a.m.

Three Clarenceville retirees take with them a century of experience

Clarenceville Schools lost more than 10G years of experience this month, as three long-time employees retired.

At their Thursday night meeting, School Board members honored Botal of lunchroom aide Shielpe Strasberger, high school social studies teacher Ernie Bouck and counselor Dennis Ringle. Each received a certificate, a gift and the coveted Clarenceville t-shirt.

shirt.
Their longevity meant not only had the three touched the

lives of many students, but of those students' children as well. Botsford Principal Joe Schiffman remembered meet-ing Strasberger in the base-ment of her home, where he

ment of her home, where he played ping-pong,
"Shirley's been like a mother to all of us," he said. "She's never changed. She's the kind-est, gentlest person, and that's how she treats the kids in the lunchroom."
Strasberger looks back on her 33 years with great pride and warmth. She vowed to wear her Clarenceville 1-shirt every day.

and warmth. She vowed to wear her Clarenceville t-shirt every day.

"The school and everybody who works there and the children have meant so much to me during the years." I'll never forget the kindness, 'she said.

"It's just been wonderful watching over these children. We have to treat them with the same respect we do each other." Bouck, whose 34-year carrer included positions at every level in the district, was described as "conscientious and organized." Reading from his personnel file, Supt. Cheryl Leach said, 'His reputation is tough, yet solid, with high

expectations."
Probably best known as a driver's education instructor, that's how Bouck will finish out

that's how Bouck will finish ou his career on June 30.

"You must be the definition of versatility and service," said Board President Matt Boettcher. "You've done it all, and you should be proud. We

are."
Over the past four decades, Dennis Ringle has developed a reputation as "counselor extraordinaire," Leach said. He has also made trips through all the district's buildings, coaching basketball and football, advision with the junior high yearing with the junior high year-book and school newspaper, among many other activities. "He's touched countless lives

"He's touched countless lives of students, many of whom are now our parents," Leach said. Boetteher added, "As a parent, you touched the lives of my children. Speaking on behalf of all our parents. The main thing is, "I've always wanted to do my job well," Ringle said.
