get a little raise," he began, when the opportunity came. "I've been working here—"
The employer raised a hand.
"Jamison," he said, "I have been intending to raise your sainty for some time—and I have been holding off in the hope that you would deserted the hope that you would deserted the hope that you would deserted the hope that you would rearre with the hold have a state of the hope that you will be the hold you."

Jamison's face lighted at the ease with which he had won. "Thank you."

Jamison's face lighted at the ease with which he had won. "Thank you."

When had the worst disappointment I may lead to know that I've been doing good work and—"
"You't's the worst disappointment have had in this office in the last tenyears." the employer cut in sharply."

"You are a disappointment. Now cause you are a disappointment. Now word are a disappointment. Now had you work and you came here a year ago I hought I had found a price. Remember the day that I stopped by your deak over there and asked you how you were gettling along? You answered me with alertness, and almost swept me off my feet with the flood of ideas that you were sofing to put into execution. You will remember that I told you no go ahead and you you fleas I most executed and the purpout ideas I most executed and the purpout ideas I most executed and the purpout into execution. You will remember the last into execution. You will remember the fleas I most executed and the purpout into execution. You will remember the purpout into execution. You will remember the fleas I most execution and the man to come to me with ideas. I'm willing to, lose a little money experimenting on him." have had in this office in the last teny ears," the employer cut in sharply cause you are a disappointment. Now let me say what I started out to say.

"When you came here a year ago! thought I had found a prite. Remember the day that I stopped by your dealed you how you were getting along? You don't be the say when you were getting along? You don't be the say of the your deale and you were gotting along? The same to conceive the young man who was the you were gotting along? You don't be the same to conceive the young man who have until quite, record and that you were gotting to got a say to your deals. The young men who have until quite, record and that you were gotting along? You were the young men who have until quite, record the young men who

The letter patent granted for the dignty of a baron cost £160, and for that of a baron cost £160, and for that of a baronet £100, payable to the board of inland revenue. Other expenses to be incurred by the newly-honored include crests or new conto-carms, while some wish to have their genealogical treed," properly made out. Consequently the Heralds college is abusy after the issue of a list of honores, and the total expenses of a baroner are not far short of £400, and those of a baronet exceed £200.

Improved Vacuum Cleaner,
A new vacuum cleaner, designed to
be operated by water power in a
sink or bathtub, consists, of two suction pumps drived by a water wheel;
and a chamber in which the dust is
collected; to be warbed away by the
waste water.

Readers siring to buy their bed in its column should instruce having what they ak for, retaining all substitutes or imitations.

Walworth worked his entire course through college, taking five years' time, and came lout of school ahead of the game, financially, after paying all his expenses himself. This is how he did it:

Walworth lived at Ashtabula. He was the band forman on the main

did tit. Walworth ityed at Ashtabula. He secured a job as fireman on the main line of the Lake Shore railroad, which runs accimmodation trains between Ashtabula and Cleveland. In the morning the young man donned his overallis, laded his school books in the chapte cab and stoked the boller all the way to Cleveland. When he got there he took of his overalls and vent to thool. After season and the continued this practice for a big portion of his college career. During vacations he was a regular fireman. The young, man made college history his first year at Reserve by refusing to wear the familiar the soft of the college career. Only the first year at Reserve by refusing to wear the familiar green cap, which the sophomobes demanded or maintenance of the college history his first year at Reserve by refusing to wear the familiar green cap, which the sophomobes demanded or maintenance of the wear that we want to be a supported things. But Walworth energed minus the green cap, and the sophs never, had the satisfaction of seeing him ways. He Cleveland News.
