When a man keeps his wife in the dark, he shouldn't expect her to make light of it.

It's surprising how many things a girl can learn at a board-school that will never be any use to her.

A Statement from JOSEPH GRAHAM Highway Commissioner

Farmington Township Candidate for re-election

Being a candidate for anothe term as highway commissioner of Farmington Township, I believ it is my duty to inform the voter as to the work that has been don during the year I have been high way commissioner.

way commissioner.

In the period from June to November, 1928, there was spread upon the roads of Farmington Township a total of 7.827½ yards of gravel, distributed throughout the Township whefever the need appeared. This is enough gravel to cover a road hearly 9 miles long, with a coating six feet wide and 8 inches deep.

and 8 inches deep.

So far as I know, this is the largest amount of road work ever done in Farmington Township. The cost has also been low—the price paid has been \$1.70 per yard, for any part of the Township.

Respectfully, JOSEPH GRAHAM. Farmington Township Highway DANCE at the Bond Schoolhouse Friday, February 22. Given by the P. T. A. Music by Bateman-Wood orchestra. A good time for everyyone.
