# SAFETY

**All new Ford cars**

**have a Triplex**

**shatter-proof**

**glass windshield**

THE Triplex shatter-proof glass used for the windshields of all new Ford cars is an important safety feature.

It is 50 per cent stronger than plate glass of equal thickness and is flexible under impact. Because of its special patented construction it will not shatter when broken. It therefore reduces the danger of flying glass, the cause of 65 per cent of automobile injuries.

The use of this glass for the windshield as standard equipment is just another indication of the quality that has been built into every part of the new Ford.

Other features are—beautiful low lines and choice of colors . . . quick acceleration . . . 55 to 65 miles an hour . . . smoothness at all speeds . . . four Houdaille hydraulic two-way shock absorbers . . . fully enclosed, silent six-brake system . . . vibration-absorbing engine support . . . Alomite chassis lubrication . . . typical Ford economy, reliability and long life.

Call or telephone for demonstration

## BOX SOCIAL PLANNED

A box social is being planned by the Young Peoples Class of West Point Park Church for Friday evening, May 17. There will be entertainment including an electioneer, and dancing, in the West Point Park Community hall.

HOUSE RENTED, NOT SOLD

In last week's issue of the Enterprise, it was stated that the property of Nellie Fuller on Oakland road has been purchased by W. T. Babcock of Detroit. The item should have read that the property was rented to Mr. Babcock, instead of being sold.

## FAMILY QUARANTINED

The family of Clarence Utley, of North Farmington, is quarantined due to the illness of the Utley's daughter, Dorothy. The girl has scarlet fever.

# 666

is a prescription for Colds, Grippe, Flu, Dengue, Bilious Fever and Malaria. It is the most speedy remedy known.
