

# Pleasant Valley Teas

You'll say it's the best cup of tea you ever tasted when you try Pleasant Valley. They have a delicate flavor and at the same time brace the tired nerves.

**Our Coffees** are of equal merit to the Pleasant Valley Teas. We have four brands.

- Nero - 30c
- Marigold - 32c
- Tzar - 35c
- Pleasant Valley 40c

Tzar Coffee is especially recommended. It has a smooth, rich flavor and its fragrance is, in itself, a great factor in the sale of it. The aroma, which is a sign of freshness, is retained by reason of the air-tight packages in which Tzar Coffee is delivered to you. Why not order a trial of Pleasant Valley Tea and Pleasant Valley Coffee and get into the habit of using the best?

## Official Test of Water System

The new fire carts and hose were out for a trial Wednesday afternoon and the occasion proved a good opportunity for some sport for all who happened to see it. Two lines of hose were laid and when the nozzles were manned the temptation was too great to resist and a water battle was in full progress immediately. Honors were even for all hands participating, as well as many innocent bystanders, were thoroughly drenched.

The test showed a good substantial pressure; both lines throwing a good stream with force enough to carry over any building in town.

Farmington is now ready to cope with a fire with a fair prospect of subduing a good-sized fire.

We understand, also, that the authorities are ready to make connections for all who want water service.

## Redford

Rev. C. A. Loomis is preparing, a lecture course for Redford for the coming winter season.

Last Sunday Mr. and Mrs. W. J. Muldragh enjoyed a short visit from Mr. Muldragh's niece, Miss Grace Wilkinson of Muskegon.

A horse belonging to Mr. Seibert was frightened at something when on the street in Redford last Tuesday morning and ran away, going up Grand River avenue at a lively pace. The animal stuck to the middle of the road, like an old time populist, until the Berg road was reached when he made a safe turn towards home and was still going when he was stopped by Chas. Cross. No damage.

Last Saturday afternoon was about as miserable a time to play ball as could be provided and the game between the D. U. R. team from Detroit and Redford was not a very fine exhibition of ball playing.

It was both cold and raining and the fans were in overcoats and shivers. Redford won the game by a score of 6 to 5, thus deciding the tie of the week previous.

Announcements were received this week by a large number of friends of the marriage of Miss Mabel Florence Stuckey, daughter of Mr. and Mrs. Chas. Stuckey of Redford village, to Mr. Clarence Mortimer MacDonald of Detroit. The marriage took place on June 26 at Detroit and the young people had kept the affair a profound secret.

The congratulations and best wishes are none the less hearty for the bride is well known in this community and has a very large circle of friends who will wish her a very happy future for the couple.

They will be at home after Nov. 1st at 446 McGraw avenue, Detroit.

The Redford team won the base ball tournament at the Milford fair last week. On Thursday they took a game from Northville and on Friday won from Holly. Holly and Howell had played on Wednesday, Holly winning.

Both Holly and Redford strengthened up for the final game for it was early conceded that a real hot fight was on. Holly people did not recognize their team when it came on the field for there were only a couple of Holly men in the line-up and they were in minor positions. Redford was much better so far as regular players were concerned as Hantz, Burgess, Faas, Brown and Myers were there and were all familiar to Redford fans.

The southern Michigan league supplied Holly with the players they needed, while Killian, an ex-Tiger pitcher was in the box for Redford.

The game was snappy and good from start to finish. While Redford got some fine hits the field work was so good that, with few exceptions, they were not productive of runs.

Hantz got a three-bagger that brought in a couple of scores and Fred crossed the plate a moment later himself, making three runs in that inning.

The final score was 6 to 3 in favor of Redford and it ended one of the best games of the season for this section.

Rally day was observed last Sabbath in the Presbyterian church when a large congregation listened to a splendid program of sacred music, also a short address by Mr. Crawford, the superintendent of the school, and a blackboard illustrated sermon by the pastor. The music was supplied by the primary department and a chorus choir of forty voices with orchestra accompaniment. Special numbers included a duet by Mr. and Mrs. Clyde Bentley and solos by Percy Venus and Miss Ethel Dubois. The special offering was forwarded to the home mission board to be used in the work among the foreigners in the United States. At the V. P. S. in the evening Mrs. F. B. Kitch gave an interesting address on the educational side of Mr. Booth's work at Chelsoo, China, which work our V. P. S. helps support.
