HOLDS USED CAR SALE

Special showing and selling of used cars is being featured by W. F. Goers of the Lake Drive Garage, Farmington. Hudson and Essex dealers. Heavy demand for the new Hudson and Essex cars has brought an unusually wide variety of high-grade used cars to them this season, according to Mr. Goers.

MAPLE ROAD NEARLY DONE

Paving of Maple avenue has progressed during the good weather of the past few days and it was expected the completed

stretch of concrete would reach to the Ruminiski road by the end of the week, leaving slightly over a mile to complete.

MUCH INTEREST SHOWN IN THE NEW MARQUETTE

Great interest was shown by residents of Farmington and vicinity in the new Marquette motor car shown by George K. Checketts, Buick dealer, at his salesroom last Saturday. A steady stream of people visited the showroom all day and during the evening.

The new product of the Buick motor car attracted admiration particularly because of its smart, low appearance and pleasing lines. The showing Saturday in Farmington coincided with others by Buick dealers all over the country.

The way to get rid of what is wrong is to build what is right.

Knocking builds nothing but trouble.
