

COMMISSIONERS' PROCEEDINGS

Regular meeting of the City Commissioners held August 19, 1929.

Called to order by Mayor Lamb at 7 p. m.

Present: Gildemeister, Otis, Staman, Hatton, Hogle, Lamb, (Goers late).

Minutes of August 5th meeting read and approved.

Moved by Gildemeister, supported by Otis, that the drive in Cemetery be cemented to sidewalk. Carried. All yeas.

Motion made by Hogle, supported by Gildemeister, that we join the Michigan Municipal League at \$30 per year. Carried all yeas.

Report made by Howard Warner on investigation of traffic question.

Remarks by Charles Lueke for the American Legion in regard to their Labor Day celebration. Moved by Gildemeister, supported by Otis that the request of Mr. Lueke for use of Town Hall property and a portion of Division street be granted and that an appropriation of \$133.00 be made to pay the Band. Carried all yeas.

Moved by Hogle, supported by Gildemeister that Frank Dolson be paid one week's salary for his attendance at Fireman's School. Carried all yeas.

Motion by Hogle, supported by Otis that we adjourn. Carried.

E. O. HATTON,
Acting City Clerk

TWO COTTAGES BURNED;
FIRE CAUSE UNKNOWN

Two cottages at Pleasant Lake Highlands, were destroyed by fire on Monday evening. The fire, of unknown origin, was discovered about 10 o'clock and the Walled Lake fire department summoned, but the cottages were ablaze and though the department made the run in about ten minutes, all they could do was stand by to prevent possible fires in other cottages.

The cottages belonging to Newton Shocker, 18641 Dexter boulevard and Edward F. Blanevitz, of 8611 Marygrove drive, were on Lakeview drive and only a few feet separated the two places. It is not known which cottage caught fire first as both were ablaze when first noticed.

This makes a total of three cottages to burn in that subdivision recently. The home of Dr. L. J. Sebille was destroyed by fire just one month previous on Monday, July 22.

The alarm for the fire Monday evening was the third one during the day. The Department was called to the Welfare subdivision twice the same day because of a grass fire. The fire there in the evening was set by a resident and the fire department was called by a neighbor, who became alarmed at the flames.

NEW "ALL-ADJUSTABLE"
CARS ARE WELCOMED

Motorists who keenly inspect the new creations in automobiles to discover innovations that may mark the beginning of new "trends," found much to interest them in the 1930 Graham-Paige models, just introduced.

Hailed as the first all-adjustable automobile, because the rear seats, front seats, break pedals, clutch pedals, and steering columns may be set in a wide variety of positions to fit the physical characteristics of the driver and passengers, the new Graham-Paige may mark the beginning of a trend toward the age of riding comfort.

"This universal adjustability," reports Edward F. Bauer, of the Grand River Motor Sales, Graham-Paige representatives in this city, "evidently has appealed widely to motor car owners, for it has caused more interest and inquiries than any other feature of the new cars. The adjustments permit every Graham-Paige owner to attain all the comfort that in the past has been obtainable only a custom body built to suit the owner's measurements. In fact, this all-around adjustability is even better than a custom-built body because the positions of seats, pedals, and steering wheel are not permanently fixed, but can be altered to suit the needs of different drivers and passengers who may use the car at various times.

"As for mechanical features, evidently the public is becoming more and more interested in the four-speed drive. Although Graham-Paige has used this modern gearset, for nearly three years, we have never before had to answer so many questions on four speeds forward as in the last two weeks. Undoubtedly the country-wide tachometer test campaign, which has enabled thousands of people to see for themselves that the Graham-Paige four-speed transmission reduces engine speed 25 per cent, has been effective in creating widespread interest.

It is the privilege of youth to be critical. Any healthy young man is expected to resist when he is told, "This will be good for

Haven't you found that the quick, glad borrowers are slow, and payers?

COMMERCE TOWNSHIP
MAP BEING COMPILED

Supervisor Joseph A. Long has announced that an assessors' plat will be made of the section lying east of the Walled Lake village limits. This section has been subdivided and the plat is essential to the proper assessing and description of property. The plat will include the Welfare subdivision and part of the Hilcroft subdivision.

A map of Commerce Township is also being drawn up. This will be on a fairly large scale and will soon be available.

WALLED LAKE GIRL IS
MARRIED AT TOLEDO

The marriage of Miss Josephine Ellenwood, daughter of Mr. and Mrs. John Ellenwood of Walled Lake village, to Nolan Brown of Pontiac has been announced. They were married at Toledo on Saturday with Miss Marjorie Stuart as bridesmaid. The couple left on a honeymoon to the northern part of the state Monday.

Mrs. Brown is an operator at the Walled Lake Telephone Company and will return to her work for a short time. Mr. Brown is employed at Pontiac. They were accompanied on their trip by Miss Mildred Launauza and Borge Hansen of Chicago.

WIXOM BALL TEAM WINS
FIVE GAMES IN A ROW

The Wixom baseball team has won five games in succession in four weeks, winning two games last Sunday, one in the morning from Redford, the score being 12 to 14 and one in the afternoon, 12 to 10 with Milford.
