The morning service begins at 10:30 and will stress the "polyglot" character of the Lutheran work in greater Detroit. There will be brief addresses in English, German, Polish, Norwegian, Finnish, Slovak, and sign language of the deaf mute. The son of the chief of the Mohicans will be one of the speakers.

At 1:30 p. m. a pageant will take place through which will be visualized the outstanding incidents in the history of the Lutheran church, and the outstanding developments of Lutheran work in Detroit.

At 2:30 p. m. about 4,000 children will recite the catechism. Mass choirs will sing both in the morning and afternoon.

**WALLED LAKE SCHOOLS' TEAM BEATS PLYMOUTH**

The largest crowd to see a high school football game at Walled Lake witnessed the High School team defeat the Plymouth High School team 13 to 6 last Friday.

Entering the game believing they would be defeated and most of the spectators hoping the team here.

would be at least able to score on the opposing team, Walled Lake in a fine exhibition of football triumphed over the Plymouth eleven.

Neither team scored in the first half. In the third period Campbell made a touchdown and in the try for a point after touchdown, Eno passed to Bowen making the score 7 to 0. Plymouth made a touchdown in the third, making the score 7 to 6. In the fourth quarter Bachert made the second touchdown.

Green at tackle was especially strong both on offensive and defensive. Off-tackle plays through him were responsible for the majority of yardage. When the play started he made a hole through the Plymouth line "big enough to drive an automobile through."

On defensive play the line held well all through the game. Welch was particularly good in running back punts. The entire team played a strong game.

This week the Pontiac Reserve team plays at Walled Lake. Next Friday, October 11, the Clarkston high school team will play here.
