The New M. E. Minister

The Enterprise is very glad to print the following relative to the new M. E. pastor and his wife taken from the Soo Times:

"The definite decision of Dr. Simpson W. Horner to decline another appointment as pastor of the Central Methodist Episcopal church of this city is regretted by our citizens in general as well as the members of his church. During his charge and residence here, which has covered a period of five years, the doctor and his family have endeared themselves to all with whom they came in contact, and their departure will be disappointing to everybody.

"Shortly after assuming his charge here, Dr. Horner made himself one of our most popular pastors and he can always count on retaining many firm friendships here wherever he may be assigned in the future. Highly educated, a close student and a polished gentleman, he fulfilled his ecclesiastical duties with ease, and also devoted much of his time to public work. In his church work, in politics and in business, he always manifested a broad and liberal spirit which made friends for him among all denominations and in all classes.

"Mrs. Horner will probably be missed as much if not more than any other lady who has ever left our city. An accomplished and talented pianist and organist, she was always generous with her services and her music enriched numerous sacred and social functions. As a pianist Mrs. Horner has few peers, her style, touch, technique and interpretation of some of the compositions of the masters equaling that of many of the great artists. With all her talent and training Mrs. Horner is a womanly woman and an able assistant to her husband.

"Last week the official board of the Central M. E. church, at the solicitation of the membership, extended a further call to Dr. Horner to this charge, but he declined the honor. When it was learned that his decision was final, the board at a meeting Thursday even-

ing passed very appreciative resolutions of esteem and confidence, and regret at the departure of Dr. and Mrs. Horner.

The Club's Opening Meeting

The Ladies' Literary club held its opening meeting for the year at the home of Mrs. Zayda Wilber and the number present and the interest displayed augured well for the success of the season's outlined work, the topic chosen being Italy and Switzerland.

The subject for the afternoon was "Personal Observation and Experiences in some of the Cities of Italy" given by Miss Kate Sprague, an honorary member of the club. Miss Sprague, who is highly educated and widely traveled, held her audience enthralled for over two hours while she recounted her experiences in the "Land of Blue and Gold," illustrating her lecture by means of the stereopticon. The interest and enthusiasm awakened at the meeting will be reflected without doubt in the papers to follow throughout the year.

Miss Sprague left Thursday morning for New York, from whence she will sail on the steamer Cleveland of the Hamburg-American line for a trip around the world, returning some time next March via San Francisco.

Live News from a Live School

Since certain events in the high school, which had definite results, took place, there has been in general a marked change in deportment. In a short time we hope the motto will be something like this:

"Be a booster not a knocker; It would help the world along, If instead of crying, sighing, You would sing a cheerful song." We are also finding that our principal not only wishes for order in the school because of dislike for defeat, but because of his interest in the school and wish to promote its welfare.

The buying of a piano for the school is really history, as it is something that has long been needed. Already it has proven a good thing for the school. More interest is taken in the morning exercises, which are now looked forward to as a something which breaks up that which inevitably becomes monotonous in the daily routine of lessons.

Mr. and Mrs. J. G. Laushaw are here for the purpose of putting on a play for the benefit of the high school piano fund. Practice has begun but no date has been set for the play.

Visitors are always welcome to our high school. Show your interest in the school by making us a call.

Elinore Major visited the primary room Monday morning.

There have been no tardy marks this week and only three this month.

The pupils are starting their Halloween work this week and are showing much interest in their work.

There are now forty-eight pupils enrolled in the primary room.

The first school social affair of this year was the "eye social" last Friday night at the home of Miss Nettie Dickerson. Everyone entered into the spirit of the affair, both for its purpose to help pay for the piano and for a good time. All had a good time playing games in the early part of the evening and there certainly was a good deal of interest "both sides of the curtain" when it came to choosing eyes. Many of the boys thought they were choosing an eye instead of the eye. We have much to thank Mr. Harger for in taking the part of auctioneer. But the proceeds from

the social, which were \$15.20, is principally what we were interested in. We wish to thank Mr. and Mrs. Dickerson for their hospitality.

Hazel Irwin and Alma Strong are absent from school this week.

The third grade painted autumn leaves this week.

The fourth grade had a test in spelling Monday.

There were many cases of tardiness in the school last month. The teachers ask the co-operation of the parents in eliminating tardiness.

The third grade wrote some excellent stories for language work this week.
