The Student Council was busine fore the game making tickets and preparing for a large crowd.

LIBRARY CORNER

Another short and interesting library book is "Messer Marco Polo" by Dan Byrne, the famous present-day author.

The story concerns "Marce Polo" a young clerk in a "counting house," who is possessed of a wandering and imaginative nature. The book inclures secriting relations of his interesting incidents and vivid descriptions of foreign places.

Soviet Republics are being officially
counted.

When these populations became
part of Russia in 1897 the czar, fried
to have a census taken, but the arrpersittious peasants retused to give
1 any information about themailres.
The thousands of officials charged
with the enumeration at that time
lived in clover for some fifteen person
at the expens of the government
without doing any work.
This time every precaution has
been taken for the honest enumeration not only of inhabitants, but of
live stock and farm machinery
actual counting will be done by an
army of 170,000 men and women,
and the cost of the cenaus will be in
the neighborhood of \$8,000,000—
