ISAAC BOND SCHOOL NOTES
Again our non-resident pupils make up about 35 per cent of our enrollment. Most of these pupils are in the sixth, seventh and eighth grades, but every room in the building has several.

The Ninth and Tenth grades have moved into their own room since Mrs. Zaida Wolfe has been employed to teach in the 6th, 7th and 8th grades.

Mrs. Wolfe began the regular teaching of music and art the first of November. This will be given to every pupil in the school.

A handicraft club has been organized under the leadership of Arthur Coe, Walter French, Fred Hitchcock and Arthur Rubly.

The girls' sewing club meets every Thursday from 3 to 4 and work under the direction of Mrs. F. Hitchcock and Mrs. Killing. Miss Weld, County leader, attended our last meeting.

We have joined the music appreciation contest given throughout the State. Miss Weld is to give the instructions.

Miss Kerrin, teacher of the first and second grades, Miss Leet, teacher of the third, fourth and fifth grades, gave their pupils a Halloween party October 31st.

The pupils will entertain the P. T. A. November 22 at 8 p. m. with a Thanksgiving program.

After the program the girls of the sewing club will have a sale of baked goods and home made candy, the proceeds to go toward the purchase of a sewing machine for the club.

The October honor roll includes the following names:

Tenth Grade: Viola Porter, De-

loras Reaette.

Eighth Grade: Viva Post. Fifth Grade: Patay Cain. Fourth grade: Richard Rubly. Third Grade: Mary Green.

Second Grade: Noble White, Billie White, Harold Mroch, Nickie Green.

First Grade: Raymond Fooley.

Speed Spirit Stamina

beyond anything you have ever known at its price

Watch the Pontiac Big Six on the open road, revealing top speeds such as no other car in its field can match. See it leap eagerly ahead at a green light, accelerating with unrivaled snap and spirit. . . . The Pontiac Big Six is equally far ahead of its field in stamina and long life, due to such wear-resisting features as crankcase ventilation which prevents dilution of engine oil—positive full pressure lubrication at all

speeds—and the Harmonic Balancer which counteracts torsional vibration in the crankshaft. . . . And in addition Pontiac gives you more style, comfort and safety, in smart, luxurious, distinctive bodies by Fisher—and greater economy, not alone in first cost but in operation and maintenance. . . . Come in today and see how much more Pontiac offers on any basis of comparison. And learn how easily you can own and enjoy the finest car the market affords at its low price.

-have you driven
a Chevrolet Six?

Have you felt the thrill of its six-cylinder performance—so smooth, quiet and vibrationless that you almost forget there's a motor?

Have you known the satisfaction of its six-cylinder reserve power—ready to shoot you ahead at the traffic light, to carry you over the steepest hills, or to speed you along the highway?

And do you know that anyone who can afford *any* car can own a Chevrolet Six?

If you have never driven a six-cylinder car, it is impossible for you to form any idea of Chevrolet performance from your imagination alone.

Smoothness! No rumble in the body—no tremble in the steering wheel—no vibration to loosen windows and doors!

Flexibility! Power that flows in a silken stream—and never a trace of "lugging"!

Quiet! Hardly a whisper from the motor. You can drive it for hours without the slightest noise fatigue!

But why try to tell you the story when only a ride can give you the facts? Come in. There's a car waiting for you. Now!

The Roadster, \$525. The Phaeton, \$525; The Coach, \$595; The Coupe, \$595; The Sport Coupe, \$645; The Sedan, \$645; The Imperial Sedan, \$695; The Sedan Delivery, \$595; Light Delivery (Chassis only), \$400; 1½-Ton Truck (Chassis only), \$515; 1½-Ton Truck (Chassis with Cab), \$650.
