### FORDSON A. C. TO PLAY SUNDAY AT NORTHWESTERN

North End Merchants Bow To Superior Football After Longdale Team Forfeits

With another football victory added to their record, Northwestern A. C. will meet one of the fast teams of this section next Sunday in an effort to reach an even higher rating. Fordson A. C. will oppose the Northwestern gridders on the Northwestern Field.

Fordson is reputed to have a fast, experienced team, and will probably furnish stiff opposition.

Last Sunday's game proved an easy one after Longdale Merchants had forfeited. The North End Merchants' team substituted, and was defeated, 28 to 0.

Northwestern played a high caliber of football. Long runs by Capt. Robinson and Bud Newcombe featured, the former scoring two touchdowns. Heikkinen accounted for a touchdown with a perfect pass to Herman Rife adding the score. Bob Salow and Pat Wixom also starred.

Direct telephonic service has been inaugurated between Prague, Vienna and Budapest by the completion of a new underground cable of the highest type of modern construction.

## Small Savings Properly Managed Grow Into Large Figures

If one will save \$25 a month and invest it to yield 6 percent, this small amount will equal \$25,000.00 in thirty years.

This is not out of the reach of many people in this community. If this amount of saving would work too large a sacrifice, smaller monthly savings will develop proportionately.

Start a savings account the first thing and get a fund started with which you can take advantage of opportunities.

Dr. J. H. Linsley  
Formerly of Ashtabula, Ohio

The Ashtabula Chamber of Commerce has the following to say about Dr. Linsley:

Dr. J. H. Linsley, to whom this letter refers, has for many years been a practicing dentist in our city and during which time, I am certain he has gained for himself a host of friends.

He has always been very active in the best interests of the community and has in many ways been of public service. The esteem in which he is regarded here is, perhaps, best evidenced by the fact that he has represented this district in the state legislature for one term, and for four years served on the Ashtabula City Board of Education, one term of which he served as president of the board. He has been a member of this organization, and others of a community nature for many years, always ready and willing to co-operate in anything for the public good. The writer takes satisfaction in stating that his standing in this community is of the highest and commendable to anyone having any dealings with him.

Very truly yours,  
ASHTABULA CHAMBER OF COMMERCE.  
A. W. Fagerstrom, Manager.

The Editor of the Ashtabula Star-Beacon gives Dr. Linsley this recommendation to the people of this section:

Editor:  
As one newspaper man to another, I would like to say a word in favor of Dr. J. H. Linsley, who has located in your section. Dr. Linsley arrived in Ashtabula the same year I did—20 years ago. Naturally we became well acquainted. It gives me pleasure to recommend him as a citizen, as a friend and as a workman in his chosen profession. He and Mrs. Linsley have been held in high esteem here. He represented our county in the state legislature for one term and was fearless and vigorous in standing back of his convictions.  
Yours truly,  
J. J. MUNDY.
