BUSINESS EDUCATION

Gradually the authorities in our educational matters are coming to appreciate the value of a thorough business education. It is now seen that a knowledge of business methods and customs is of more practical value to the average young person than a full course in the dead languages or even higher mathematics. The graduates of the well known Detroit Business University, which for more than 50 years has been giving a splendid training for business pursuits have been active in advancing the claims of business education and of this particular school. This has much to do with the fact that this institution is everywhere regarded as the pioneer and the par excellence today, among business training schools.

HOME MAKING

The first step in buying or building a home is the Savings Account.
Everybody should have a home of his own.
A savings account with this bank, with regular deposits from the income, will provide the money for the first payment upon one.
The sooner you begin, the sooner you will live in a own home.

WORK OF THE COUNTY BOARD

County Valuation Raised Two Hundred and Twenty Thousand Dollars

The board of supervisors has been grinding away for nearly two weeks and as this is the annual session they found considerable to do.

George Greer was selected as poor commissioner and James J. Wilson as member of the board of school examiners.
Horace E. Johns was elected janitor of the court house. Other appointments were as follows: F. B. Babcock, purchasing agent; county board of canvassers, L. J. Haak, Southfield; Stanley C. Rogers, Pontiac, and Charles E. Hvert, White Lake.

Robert W. Malcolm in Commerce, Decatur Childs in Milford and G. R. Smith in Rose township were elected burial officers for their respective townships.

The poor board asked for \$23,000 for the ensuing year. One hundred nine persons were received at the farm during the year and 74 were there Sept. 30. Of this number Farmington contributed only two.

The salaries of the county officials remain as formerly and total \$18,420.

The soldiers' relief committee disbursed \$1,011 and had a balance on hand of \$221.

On the report of the committee on equalization \$220,000 was added to the real estate valuation. Of this amount \$100,000 was added to the city of Pontiac, \$40,000 to Farmington, \$10,000 to Groveland, \$20,000 to Lyon, \$20,000 to Novi, \$10,000 to Oxford, \$20,000 to Pontiac township, and \$20,000 to Southfield. Nearly half of the boost is on the city of Pontiac.

A Very Lady-Like Campaign

The members of the Michigan Equal Suffrage association have conducted a quiet diligent and effective campaign this summer and there has been no confusion or undue excitement over it. They have appealed to the sense of right and justice in their arguments and now leave the matter with the men. There will be no women working at the polls. 500,000 tags will be distributed throughout the state on Saturday, Nov. 2, bearing the inscription "Nov. 5th vote 'Yes' for Woman Suffrage." This is just a reminder to the voters.

There seems to be quite a general feeling that the voters are going to give the movement their support this year and the amendment will carry. Sentiment is rapidly growing in favor of the women and we earnestly expect to see them win this time.

RECEPTION TO THE NEW PASTOR

Large Number Were Present to Greet Dr. and Mrs. S. W. Horner. A Fine Program was Given

On Tuesday of this week a reception was tendered Dr. and Mrs. S. W. Horner of the M. E. church. In spite of the inclement weather a goodly number of people were present.

In the receiving line were Mr. and Mrs. T. H. McGee, Dr. and Mrs. S. W. Horner and Mr. and Mrs. L. C. Harger. After greeting Dr. and Mrs. Horner, the people were seated and listened to a well rendered program: Trio, Miss Helen Warner, Miss Ernestine Pierce and Murray Moore; reading, Mrs. T. H. McGee and Mrs. Whipple; violin solo, Miss Tessa Pierson; reading, Miss La-villa Adams; vocal solo, Miss Kennedy; remarks, Dr. J. A. Miller; response, Dr. Horner.

Dr. Miller's well chosen words of welcome were enthusiastically received, and the response by Dr. Horner was a wish for the betterment of the community at large and a desire for closer co-operation in the work for the coming year.

The church was prettily decorated with bittersweet and flowers. A beautiful bunch of pink carnations were presented to Mrs. Horner by the Ladies' Aid society. Mrs. Horner added to the pleasure of the evening by giving several selections on the piano.

A large number of the business men were present, which showed their interest in the welfare of the church and community.

After the program: punch was served in the vestry by Mesdames Miller and McGee, assisted by the Misses Helen Whipple, Mildred Adams, Leola Thayer and Leola Osmus.

It's All up to the Weather Man

If the weather will remain good for another week, and if nothing else happens to prevent and the men will only hustle a little bit, the work on the Grand River road may be completed this fall. Commissioner Hines is making a strenuous endeavor to finish and is very anxious to get through to the county line before things freeze up and stop the proceedings.

Work has been discontinued on all other roads in order to keep material on hand for this one and Foreman Burley is devoting his time and energies wholly to this one job.

A cement culvert and bridge is being built at the Volney Smith's corners and it is hoped that it also may be finished this fall.

The work is within about 40 rods of the town line and as there seems to be no difficulty in getting material now it means that the outcome is entirely up to the weather man.

Judge Rockwell for Re-election

Attention is directed to the candidacy of Judge Rockwell for re-election to the office of Judge of Probate. This is an office which should not be a partizan affair, but should be filled only by a man who is eminently qualified and especially fitted for the work. Men of all parties readily admit that Judge Rockwell, of all the other candidates before the people this fall, is the one who most deserves re-election because of the peculiar nature of the work that comes to him and because he has demonstrated his wonderful adaptability to the place.

Turn out and help out the piano fund. It's a worthy cause.
