"I told you that I was going home after the baby came," she said. "Well, John, I am home."

Germans Run School Trains
Traveling "school trains" have been organized by the German government which operates the realizond, to teach employees the theory and practicle of the business, carys Popular Mechanics Magazine. The road has equipped a number of passegor conches as class-rooms, each in charge of an instructor. These cars move from place to piece, classes being held at each stop, where employees, without loss of much time, are given instruction in the operation of trains.
