### Voters Will Decide Tie For Supervisor

(Continued from page one)

vote in a primary in Oakland County's history.

Mr. Coe's vote in Precinct No. 2, Clarenceville, which completed its count first, was announced as 183 to 140 for Mr. McCracken. Several citizens from that precinct took the report to Precinct No. 1. Later the vote in Precinct No. 1 was announced as 228 to 185 for Supervisor McCracken. The citizens present and election board found to their amazement that the result was a tie.

A second counting, which took more than an hour and was completed only at 1:15 a. m. Tuesday showed that each had lost one vote, making it 227 to 184. The result throughout the Township was the same.

Seven blank and three doubtful ballots were not counted by the election board, which consisted of Ernest Blanchard, George Leet, Ray Marsh, Charles Erwin, and Floyd Howard. The Board had little difficulty in agreeing on any but the last one or two doubtful ballots.

One tendency that appeared in a number of cases was that of marking a cross in the square for one candidate, and then scratching out the name of the other candidate. A number of ballots were thus marked for both candidates and it was agreed that they should be counted.

Feeling throughout the Township since Monday night was that the fairest way to decide the dilemma would be by another vote unless the law prohibited it.

Bachelor For Treasurer

Mark Bachelor easily won the nomination for treasurer, polling 404 votes to 204 for Charles Habermehl. Mr. Bachelor received 231 in Precinct No. 1 to 125 for Mr. Habermehl, and 173 in Precinct No. 2, as against 79 for his opponent.

Clerk Willard Cammibell, without opposition polled 300 votes in Precinct No. 1 and 265 in Precinct No. 2. Ward Eagle received 310 votes in Precinct No. 1 and 189 in Precinct No. 2 for reelection as Justice of the Peace. Don Button polled 299 and 169 votes in Precincts No. 1 and 2 respectively, for board of review.

### Tom Irving

"Tom Irving" is dead! was the sad message that came from the hospital to his many friends on Wednesday afternoon. It does not seem real. Genial, cheerful Tom Irving, called to take the journey from which none ever returns. The years that he has been with us have endeared him to all who knew him. Brave, optimistic, kind, he was ever ready to help one who was in trouble or aid some one who had been unfortunate in his life's struggle. He had his share of sorrow and disappointment but he met the seamy side of life bravely and uncomplainingly. Surely the world is better because Tom Irving lived in it.

"To live in hearts we leave behind is not to die."

### DETROIT TALKS TO CLUB WOMEN ABOUT ANTIQUES

Display Of Pottery, China And Oriental Rugs, Feature of Meeting

The Farmington Woman's Club held its regular meeting Wednesday at the home of Mrs. Henry Pauline. After the usual business had been transacted the meeting was turned over to the committee in charge of the program, of which Mrs. Elmer Dohany was chairman. P. Owsen Pauline sang several pleasing selections.

Following this Homer Watkins of Detroit gave an interesting and instructive talk on antiques, impressing upon his listeners the value of rare pieces and of their influence upon the artistic temperament of children in the home, who are taught to appreciate the worth and sentiment connected with a good antique, as well as other home furnishings.

Mr. Watkins also spoke of the home life in general on children, urging all mothers to create in the home a spirit of refinement and good taste as this environment tends to make good citizens of our boys and girls. Continuing the program, the following subjects were ably discussed: "Interior Decoration," by Mrs. Ritter. "The Manufacture and Uses of Glass," Mrs. Leo Hendryx. "China and Pottery," Mrs. Elmer Dohany.

In addition to the program there was a fine display of pottery, Chinese and oriental rugs, provided by members of the Club. The committee in charge is to be commended upon the success of the afternoon.

The Grenfell Association of Labrador, is asking for donations of old silk stockings and underwear or imitation silk to be made into hooked rugs. This is to help in carrying on the work of Sir Wilfrid Grenfell, who has been responsible for the building of schools and hospitals in that country. All members are asked to respond and leave their donations either at the E. C. Grace Store or with Mrs. C. W. Wilber, and to cut off tops and feet of stockings.

The next regular meeting of the Club will be held March 19 at the home of Mrs. Harrison Johnson.
