BEGIN WARMING UP

The regular baseball squad will not start practice until next week due to bad weather conditions and the problem of finding a good field to practice on; but the pitchers and catchers will practice this week to get their arms in good shape for the opening game with Belleville.

Coach Shadley will have many candidates for the team. At present there are four pitchers and two catchers working daily.

THIS WEEK'S MOTTO

The Motto which appears above the Bulletin Board shows a picture of three sailing vessels. Below this are the following stanzas:

One ship drives east another west
With the selfsame wind that blows;
'Tis the set of the sail and not the gales
That sends them the way they go.
Like the wind of the sea are the ways of fate
As we voyage along through life;
'Tis the set of the soul that decides the good
And not the calf or the strife.

THIS WEEK A YEAR AGO

The Seniors have returned from their trip to Washington after seeing the famous buildings and places enroute.

The operetta "Belle of Barcelona" given on Wednesday evening proved to be a great success.

An Adamless party has been set for April 26 by the Girls' League.

Fifteen girls reported for track and baseball, but track was later dropped due to lack material.

The Commercial Geography class and the Freshman in the Journalism class visited the Ford plant at River Ropge Monday forning.

Alice Parker, senior president distinguished herself and brought honor to her class, when she correctly answered a history question asked by C. W. Zachary, official guide in the Masonic Lodge at Alexandria, Va. As a reward, Mr. Zachary presented Alice with a silver bud vase. "Very few of the thousands of high-school students who come here every year are able to answer that question" stated Mr. Zachary.

PERSONALS

Inez Weston, a graduate of '28, has just completed a year's business course at Cleary College, at Ypsilanti.

Walter Nielson, also member of the 1928 class, visited his home town over the week end.

Thomas Haynie and Marvin Turner were both "nervy" enough to take a plunge into the cold waters of Michigan for the first swim of the year.

Helen Westfall is to be awarded a silver pin for typing 44 words with but 4 errors on a Remington typewriter.

APPOINT MANAGERS

The Juniors held a ousiness meeting Friday, March 28 and appointed a manager for the newspaper department and a manager of the candy stand.

Harry Grow was appointed to take care of the newspapers and Betty Gullen will look after the candy stand. The class will begin work immediately.

WASHINGTON TRIP

The Senior party arrived in Farmington Friday, April 4, having spent six days in and about the city of Washington.

After their arrival in Washington, Sunday noon, the party was taken on a tour of the city, seeing the homes of famous men of today and the past, visiting the National Cathedral, and riding over one of the longest steel bridges in the country.

Monday morning the party start touring and there was no let-up except in the evenings until Thursday noon, three hours before the return trip again.

Among the things of interest that were visited were the Congressional Library, considered to be the most beautiful building in the world; the United States Capitol building; the White House and the Washington Cathedral, Mt. Vernon and Arlington; the cities of Annapolis and Gettysburg; the Pan-American building, the old and new National Museums and the Building of Science.

These are only a few of the important places that were seen. All of them held a special interest for each student, who had studied or read something about each place visited.

The good times that were enjoyed while on the trip were numerous. Although the party was tired out upon arriving home there was still left upon their faces that gleeful look that tells of happiness.
